FROM THE EVENT MANAGER

Welcome to Fall Carlisle 2019! It's hard to believe that it's been 45 years since the first "Fall Carlisle," or as it was known at the time, Post War '74. I can't say for sure when the first time was that I attended a Carlisle flea market but I do know it was in the early '80s. I also remember the fun I had searching for parts with my dad and my brother. Back then, you basically had two options for classic car parts – junkyards and flea markets.

Today, we have more options, but nothing can replace the experience of a flea market. You might have a list of items that you're looking for, but oftentimes your best buys are the ones that you weren't expecting. It's not uncommon to stumble across something for a future project (something that you don't need at the moment) or maybe it's something for one of your other vehicles. Either way, the end result is often the same, you end up making the purchase because the deal was just too good to pass up.

Yes, you can get good deals online, but you have to know exactly what you're looking for in order to find it. Rarely do you just happen upon something on the internet. At a flea market, you get to browse thousands (maybe millions, I've never counted them) of parts and that's how you find the best deals. You can also negotiate with the seller and you can do it face-to-face. You exchange some cash and you walk away with the exact part.

These are the deals that we tend to remember. Not just because of the direct interaction with the seller, but because we rarely go to a flea market alone. We come with our friends and family spending quality time together. Even now that I work the shows, my brother still attends the events and we hang out as much as we can. We'll get what we need for our winter projects and we'll be back at Spring Carlisle!

2018 FALL CARLISLE AUTOMOTIVE FLEA MARKET

By Ed Buczeskie, Carlisle Events

- 1 BRING CASH**
The more the better. It's hard to negotiate a deal without being able to pay.
- 2 WEAR COMFORTABLE SHOES**
It's a lot of walking.
- 3 SUN BLOCK**
You'll likely be in the sun all day.
- 4 REMEMBER THE SPACE**
Take a picture of the space location or write it down. Every space at Carlisle has a disk to designate the space. Don't try to remember the space or the surrounding area. You'll spend the rest of the day looking for it.
- 5 COME EARLY**
Rare parts and great deals typically happen for the first person to find them. Set up day(s) and the first day of the event are for the serious shoppers.
- 6 ACT FAST**
If you see a great deal, grab it. If you plan to come back later, it will probably be gone.
- 7 NEGOTIATE**
It's a flea market so don't be afraid to make a REASONABLE offer.
- 8 EXPECT THE UNEXPECTED**
Chances are good that you will find something you weren't planning to find so keep your eyes open.
- 9 LOOK EVERYWHERE**
Even if you are looking for Chevy parts, don't walk past the guy selling Ford parts without at least scanning his space. It might even be cheap since it's not what he typically sells.
- 10 USE THE CARLISLE EVENTS APP**
Use the FREE Carlisle Events app to easily find your way back to a vendor (if you know the row and space).
- 11 STAY LATE**
Good deals happen early and late. Vendors are typically more willing to negotiate when they are packing up – especially large items.
- 12 BRING A LIST**
Our memories aren't as good as we think. Write it down. You can even make a list on your phone. Take pictures of what you need.
- 13 BRING A BAG, CART, ETC.**
Parts will get heavy so have a way to carry your purchases. Ask the seller if you can leave heavy parts until later; and write down the location.
- 14 HAVE IT HAULED**
Carlisle Events offers parts hauling. Keep that in mind if you're looking at an engine, transmission, truck bed, etc.
- 15 ASK!**
If someone has parts for a vehicle but not the ones you need, ask if the seller has it. It might still be in his truck or at home. Even if he doesn't have it, he might know someone who does.
- 16 KNOW THE VALUE**
Do some homework on the parts you're looking for so you know if the price is a good deal.
- 17 AVOID THE CROWDS**
When you arrive, go to an out-of-the-way area to start rather than following the herd.
- 18 WALK IT ALL**
Don't miss any rows. The Carlisle Fairgrounds isn't a perfect grid so make sure you hit every row and space.
- 18 ADVERTISE**
Wear a hat or shirt showing your "brand" as it might create a conversation – especially if you're into a really obscure brand. Don't be afraid to wear a sign advertising what you're looking for.

1 FINDING A SPECIFIC PART OR ITEM

- Look for the category that describes what you want.

2 FINDING A VENDOR

- A vendor's location is shown as a combination of a row letter or building letter along with a space number.
- Find the location on the map in the centerfold.

3 USE THE FREE APP

- Your smartphone's GPS will take you right to a vendor's space using the FREE Carlisle Events app.
- Download the Carlisle Events app for iPhone and Android.

Chip Miller was known for his positive attitude and his love of Corvettes. Unfortunately, he lost his battle with Amyloidosis in a few short months because he was not diagnosed until it was too late. Join us in spreading the word about Amyloidosis and raise funds to help science find the cure. Together, we CAN make a difference!

Carlisle Events purchased the site of the former International Automotive Components (IAC) plant, located on Carlisle Springs Road, three blocks from the Carlisle Fairgrounds, in 2008.

The site has been cleared, plans have been made and approved, red tape has been cut and infrastructure has begun to take shape despite delays due to higher than usual amounts of rainfall.

Homewood Suites broke ground in June! Soon to follow will be a full-service restaurant, apartment buildings, car condos, townhouses and more!
